*Bill Maybe's Sun in Scorpio and Fiona Fiction's Sun in Pisces:*

Both of you are very sensitive, feeling, compassionate people, and with one another you are able to have a depth of sharing that you will find with few others. You instinctively understand one another.

Fiona Fiction's sympathetic, non-judgmental, understanding attitude can be a healing balm to Bill Maybe, who is more emotional and who often carries secret guilt, inner conflicts, and pain. Fiona Fiction's accepting attitude helps Bill Maybe to share and release these tensions.

Bill Maybe is more forceful than Fiona Fiction, and will sometimes lash out with sarcasm or vindictiveness when hurt, which deeply wounds Fiona Fiction. Fiona Fiction is gentler, has less protective armor, and is generally more forgiving than Bill Maybe is. Bill Maybe can manipulate Fiona Fiction at times, sometimes unknowingly. But for the most part, you get along very well.

*Bill Maybe's Moon in Gemini and Fiona Fiction's Moon in Aries:*

Both of you are easily bored and quickly become restless if there is no movement or change in your lives. You enjoy action and may find ourselves constantly, compulsively busy and on the move. You're likely to begin projects and then drop them during slow, difficult or "dry" periods.

Neither of you is very comfortable with emotional dependency and neediness, and both of you need to go off and "do your own thing" sometimes.

Basically you are quite compatible but one difference between you is that Fiona Fiction is very direct and cannot tolerate emotional dishonesty or pretense, while Bill Maybe clowns around, plays with words, and is frequently not serious or sincere about what is said. Fiona Fiction wants a clear signal, but Bill Maybe is very changeable and simply can't be pinned down sometimes.

*Fiona Fiction's Sun Trine Bill Maybe's Mars:*

Successful cooperation in achieving goals and accomplishing tasks is highlighted. You make an excellent working team and you are able to assist each other in achieving specific, concrete goals.

*Fiona Fiction's Sun Trine Bill Maybe's Uranus:*

Playfulness and a zest for newness infuse your relationship. You really spark each other's imagination and creativity. This quality is especially welcome in a long-term relationship because you will not fall into a lifeless routine. You spur each other to explore, take risks, and develop new creative outlets. You encourage each other's independence and you have faith in one another's creative, inventive ideas and interests.

*Bill Maybe's Moon Opposition Fiona Fiction's Neptune:*

You enjoy sharing your hopes, ideals, social concerns, dreams and fantasies. You work well together in areas that require great imagination, such as the arts and music.

*Fiona Fiction's Moon Opposition Bill Maybe's Mercury:*

Lively, insightful conversations are frequent in this sharing relationship. You love your deepest concerns, fears, and hopes with each other. You also enjoy discussing and analyzing issues at length. In general, these conversations are enjoyable and enlightening, but occasionally they may degrade into gossip and Bill Maybe may sometimes take an overly intellectual, cool, detached

approach to Fiona Fiction's feelings.

*Fiona Fiction's Moon Opposition Bill Maybe's Uranus:*

Bill Maybe is instrumental in freeing Fiona Fiction from many old habits and attitudes. Both of you find this relationship enlivening and you often get into a free-spirited, even zany, mood together. Any contracts or commitments you make to each other, however, may be short-lived as events and circumstances are likely to change so often that your plans need to be constantly revised.

*Bill Maybe's Moon Square Fiona Fiction's Mercury:*

Fiona Fiction needs to guard against the tendency to be critical, unsympathetic, and overly analytical of Bill Maybe's feelings, personal tastes, and habits. Fiona Fiction may feel that Bill Maybe is overly sensitive to criticism, and refuse to acknowledge responsibility for the problem as well. Petty annoyances, minor disagreements, and bickering can be avoided only if you both learn to listen sympathetically and to communicate clearly with each other.

*Bill Maybe's Moon Square Fiona Fiction's Saturn:*

This relationship is not an easy one! There is a sense of responsibility towards each other that may encourage you to work together on practical, mundane, or tedious tasks together. However, you both feel emotionally constrained and inhibited by being together, and this relationship may feel like a form of imprisonment! Bill Maybe, in particular, may feel disheartened by Fiona Fiction's criticisms, worries, fears, or need to dominate Bill Maybe's life. Bill Maybe's emotional needs and feelings are ignored and neglected at times. Most likely there is too much emphasis on responsibilities and obligations. The serious tone of the relationship also stifles play and light-hearted fun-loving activities. This relationship may endure even when your feelings towards one another have cooled because there is a great deal of stability in it and reliability and responsibility to each other, even if there is little satisfaction over time.

*Bill Maybe's Moon Trine Fiona Fiction's Pluto:*

The two of you will grow to be very close friends. You are able to really "feel" what the other is saying. For example, whether you are playing sports, watching a movie, or showing each other something you really like, you find that most often you can do it with an intensity and depth of feeling that you cannot express to most people.

*Bill Maybe's Mercury Conjunction Fiona Fiction's Pluto:*

Your conversations tend to be probing and deep. You enjoy uncovering the underlying motivations and causes of a situation. Frequently what starts out as a light, friendly conversation ends up as an in-depth psychoanalysis of each other! Fiona Fiction may dominate your conversations and at times tries to force Bill Maybe into agreeing or believing whatever Fiona Fiction wants!

*Fiona Fiction's Mercury Trine Bill Maybe's Saturn:*

You work together well on practical problems. You help each other refine and clarify your ideas, and help "edit" each other's work. Consequently you make a very effective team in business affairs and important or exacting work.

*Fiona Fiction's Venus Opposition Bill Maybe's Pluto:*

Powerful subconscious emotional drives come into play in this relationship and you may

become exceedingly attached to one another, as well as very jealous and manipulative at times. This is not a superficial friendship. Do make sure your intentions, motives, and purposes are above board and clear; otherwise, you can become enmeshed in emotional or financial entanglements with one another.

*Fiona Fiction's Venus Trine Bill Maybe's Neptune:*

You evoke in each other a greater sensitivity to music, art, and poetry, as well as feelings of compassion and sympathy. You are inclined to give unselfishly to one another, and to be a friend in good or bad times. Exploring new dimensions of feeling and sensitivity through music, art, poetry, or religion is also highlighted.

*Fiona Fiction's Mars Opposition Bill Maybe's Jupiter:*

You spark each other's ambitions and hopes. You find yourselves scheming together, developing business plans, or other strategies for achieving success. You encourage each other to set your goals high and it is likely that you will undertake several joint ventures together. Over-optimism and unrealistic hopes are your liabilities; enthusiastic hard work is your asset.

*Fiona Fiction's Mars Square Bill Maybe's Neptune:*

It is very difficult for the two of you to jointly accomplish practical, mundane tasks. You draw out the silly, childish, imaginative side of each other, and you often will simply not be able to clearly focus on practical tasks. If either of you has a drinking, drug, or psychological problem, it is likely that your relationship will highlight this problem. Be wary of the tendency of both of you to over-indulge in these kinds of bad habits.

*Bill Maybe's Mars Sextile Fiona Fiction's Jupiter:*

The two of you form an effective, dynamic team in any venture or endeavor. You work together very well in accomplishing daily tasks, and it is likely that you will also successfully coordinate efforts on joint efforts as well. Fiona Fiction provides the vision, the social contacts, and ideas, while Bill Maybe provides energy, decisive will, and enthusiasm.
