## ACCEPT FATE AND ENJOY.....

We all have 'freewill' providing us with the opportunity to either accept fate, or fight it.

Many callers ask questions of our Clairvoyant Readers relating not only to future matters, but also their concerns of the present day.

Whilst a reading might give an indication of future possibilities, it is very much the responsibility of the individual to either accept a prediction, or dismiss it out of hand.

### How to accept fate and enjoy the ride....

Imagine you are standing in the sea up to your waist with your back to the shore. You see a huge wave approaching you. This wave is your fate... it could be a wave of love, career, finance or one of several other sorts of fate.

With the huge wave of fate fast approaching you have a choice -- - this is your freewill. You can either stand steadfast and fight the wave and battle against it, or you can turn around, stretch out your arms and allow the wave to carry you nearer to the shore (your destiny). The first choice is unpleasant, will leave you exhausted and bruised. The second choice could be a pleasurable experience. This is free will. Either way, fate will take you to where life wants you to be.

Adopting this philosophy can almost certainly help you have a happier life.

## WHY CHOOSE A READING FROM THE CIRCLE OF PROFESSIONAL CLAIRVOYANTS?

Firstly, all readers have been tested and are continually monitored for quality and content. Each reader is a PROFESSIONAL clairvoyant and, as such, will answer your questions in an honest and caring way. They will not necessarily tell you what you want to hear, but they will offer sound clairvoyant guidance showing you a possible way to a happier, and much brighter, future. We have built our reputation by offering quality readings. Many clients tell us they have had several cheaper priced readings elsewhere, but wished they had called us first! The common law of any business is that you only get what you pay for.
