Telephone Readings with the World's Top Clairvoyants

Our Clairvoyants are members of the Circle of Professional Clairvoyants. Our clairvoyants are internationally recognised (many are household names).

The Circle of Professional Clairvoyants abides by ICSTIS and REGTEL rulings, the industry regulators in the UK and EIRE respectively.

The Circle of Professional Clairvoyants and it's are justifiably proud of their reputations, not only for upholding the highest professional standards for telephone readings, but for providing clients with a wide range of related subject matters.

The Circle of Professional Clairvoyants

The Circle of Professional Clairvoyants has developed from an original concept in 1999 to inform the general public of the many freedom-of-choices and opportunities available today that may assist them in bringing their body-mind-spirit

into greater harmony.

We also offer over **80 COURSES** on subjects such as Develop Your Psychic Skills, Tarot and Numerology etc.

Founder and Director

Keith Ward is an internationally known and respected clairvoyant having been in full time practice for over 25 years. Keith has diplomas in Paranormal Studies, Psychic Counselling and Psychic Development in 1999 he founded the Circle of Professional Clairvoyants (of which he is now Managing Director). He is the author of several courses including **DEVELOP YOUR PSYCHIC SKILLS**, available direct Other courses (Tarot, Tarot Master, Runes, Feng Shui, Crystal Healing, Palmistry, Clairvoyancy and Numerology) are available in the form of distance learning correspondence or by email.

Mission Statement

To tell our clients the truth, promote professionalism amongst clairvoyants, to rid the profession of charlatans and fraudulent readers and lobby the government to licence and regulate our profession.

To employ only genuine readers after thorough examination and testing, ensuring that they meet our high standards in terms of ethics, honesty, accuracy and professionalism.

Telephone Readings with our Team of Clairvoyants

Our **TEAM OF CLAIRVOYANTS** is ready at the end of the telephone to help you with a psychic reading. Our main concern is that you should receive a quality, professional telephone reading, so every one of our psychic readers has considerable experience and has accepted the Circle's Code of Conduct and adheres to the ICSTIS Code of Practice.

RING FREEPHONE 0800 138 3637 NOW. Our team's telephone readings will help you take control of your situation, help you change it around and lead you to a happier life. Many "clairvoyant services" give readings from scripts and pay their "psychics" to keep you talking on the telephone in order to earn more money and "invent" names in order to make you believe they are genuine people. Unfortunately these types of services provide very little in the way of guidance.

Our telephone readings are genuine and our clairvoyants care.
