## CREDIT CARD OR PHONE BILL? DON'T KNOW?

For "quick answer" readings of less than, say, 15 minutes duration, payment on your telephone bill is less expensive. Please remember, though, that you must have the subscriber's permission and be over 18 years of age. Neither should you forget that your service provider (ie BT etc) will add VAT onto your account. 0906 calls last for a maximum of 20 minutes. If you opt to pay by credit or debit card, consultations may be taken up to 70 minutes maximum with a minimum 20 minute charged.

### Text Service

#### Text ASK followed by your question to 84184

Total cost: **£1.50 per reply**

Replies are sent by a professional clairvoyant and not by a computer program. You will appreciate, therefore, that replies may not be immediate. Our clairvoyants may wish to "tune in" before replying. However, a professional clairvoyant will receive your text message and reply.

This is a professional, discreet service, enabling clients who prefer short answers to real questions, to text a professional clairvoyant. For clients who would rather not telephone for a reading, they have the option of texting their questions, answers to which will be sent directly to the caller's mobile phone. Texting should not, however, in our opinion, be considered a substitute for a full professional consultation.
