# The Circle's Senior Readers

## *Graham*

Graham is a much sought after psychic/clairvoyant reader who combines his unique ability with his in-depth knowledge of Astrology. He has featured on both local and national radio in recent months.

Graham is clairsentient as well as being adept in Tarot. He also undertakes e mail readings on behalf of the Circle under the pseudonym "Nighthawk" in addition to his telephone readings.

## *Luke*

Luke is a seer and highly intuitive reader and practicing shaman with a large following of regular clients. Many of Luke's clients book appointments well in advance simply to be certain of having a reading with him because of his popularity.

Extremely likeable, Luke is one of the Circle's top, and most requested, readers. Should you have a reading with Luke, we are certain that you will soon be calling him back for further readings.

## *Paul*

Paul is a Circle Senior Reader with a high percentage of requested readings. An International seer, Paul is very much to the point. Like most of our readers, he prefers to tell you, rather than you tell him! (In fact Paul will ask you not to tell him anything.) Testimonials support our view that Paul is one of the most accurate readers you will find. Request him --- and listen, you'll be amazed.

## *Rose*

The majority of Rose's readings are for her regular clients. Rose prefers that you tell her absolutely nothing – she would rather tell you. So, for clients who prefer a reader who doesn't ask questions, whose clients call her back time after time, then maybe Rose is your preferred reader? Rose is a natural reader, highly intuitive who you immediately feel comfortable with.
